Monthly Quarterly / Automatically Renew

At the end of each calendar year you will receive an official tax document from the NCPGA Foundation. The NCPGA Foundation is an IRS authorized 501© © tax-exempt organization (ID #75-3249593).

Your continued contributions to the NCPGA Foundation are invaluable as they provide resources to support life-enriching programs through golf in Northern California and Northwestern Nevada.

Programs such as:

- **Saving Strokes**, empowering stroke victors by illustrating that disabilities need not stop them from learning or playing golf
- **Junior golf** clinics and classes throughout the region
- **The Langley Scholarship Fund** which provides additional support to programs that change lives one swing at a time

Participants in these programs – of all ages and ethnicity – kindly appreciate your support.
